We look forward to assisting you!

When choosing a meeting destination, what takes place outside the conference room can be just as important as what takes place during the meeting itself. In that regard, Walla Walla is one of the finest meeting destinations in the Pacific Northwest.

Walla Walla has built a well-deserved reputation as a world-class wine region, with more than 130 wineries and tasting rooms for your group to explore and discover. In addition, your attendees will enjoy our thriving performing arts scene, vibrant historical attractions, a walkable downtown filled with local boutiques and farm-to-table restaurants, and the gorgeous southeastern Washington scenery and farmland that serve as the perfect backdrop for endless outdoor recreation. Add it all up and it's not hard to see why Walla Walla is one of the most vibrant destinations in the Northwest.

And then there's the meeting itself. With the ability to host everything from winery retreats for small groups to conferences for as many as 450 people or outdoor festivals for thousands, there's a space for almost every kind of gathering. Diverse lodging options range from the full-service Marcus Whitman Hotel and Conference Center located in the heart of downtown to the charming inns, hotels and B&Bs that dot the valley. And with direct flights to Seattle and an easy 3-5 hour drive from major cities throughout the Northwest, Walla Walla offers a convenient meeting destination that's a complete escape from the ordinary.
